

ELEMIS

LONDON

Discover the benefits of ELEMIS with facials that combine advanced skincare technology and natural ingredients

Skin Refining facial <i>25 minutes</i>	£65
Expert Touch facial <i>50 minutes</i>	£85
Expert Tech facial <i>50 minutes or 75 minutes</i>	£95 / £125

WHAT IS THE DIFFERENCE BETWEEN TOUCH AND TECH FACIALS?

Touch facials are hands-on treatments for product application. Therapists massage the face, neck, shoulders and scalp, blending ancient and modern techniques for a rejuvenating experience.

ELEMIS Tech facials use a BIOTEC machine that combines ultrasonic, micro-current, galvanic, oxygen infusion and light therapy with active ingredients to target specific skin concerns.
